\*\*Return this completed form along with a non-refundable \$100 deposit to reserve your limited storage space before September 30, 2012. Customers will be invoiced for the balance due, including storage and services performed. Balance is due in full BEFORE boat goes into storage. NO EXCEPTIONS.

\*\*Minimum mandatory winterize and summerize if storing with River City Marina and launching here. This helps us make sure your boat runs in the spring if we have to launch and run it for you.

\*\*We are a fully licensed and bonded storage facility. Please remember we are NOT responsible for items left in the boat. We only request to leave your keys, fuel tank, and battery in the boat. These are necessary to perform service work. All boats without a key will be charged a \$25 key fee.

\*\*In fall, boats are generally maintained and stored the same day as delivery. Please be courteous in the spring and pick up within one week of completion. Boats here after ONE week will be subject to an \$8.00 per day storage fee. Boats can be delivered for additional fee. All boats will be topped off with fresh fuel and treatment in spring.
